EXPRESSION OF INTEREST

School Board Membership

Cannington Community Education Support Centre School Board is seeking interested members of the school community to nominate for the Board.

The Board is made up of staff, parents/caregivers and community members who meet no more than six times a year to consider a number of varied issues including:

- The school plan incorporating priority areas and budgets;
- The school report which documents a review of performance of the school in a number of key areas;
- Advise on particular areas of the curriculum;
- Develop policy and procedures for many areas including student behaviour and dress codes.

The school needs interested people to fill this important voluntary role. Please contact me personally for any information. Training can be organised if required.

At present we have vacancies for the remainder of 2019 and for the 2020 school year.

Please complete the form below and return to the ESC Office by Friday 6 September 2019.
