Working together for a safe community.

School Parking

In an effort to provide a safer environment for everyone, Officers from the City of Canning patrol school parking in the mornings and afternoons throughout the school term.

It is imperative that drivers are aware of the road rules and understand signage around schools to ensure the safety of children, road users and pedestrians in general. Unlawful parking in school areas is a major safety hazard and parking infringement notices may be issued for incorrect, unlawful or dangerous parking.

At the beginning of each school year, City Officers conduct educational patrols in school areas. During this period Officers remind drivers of the need to park legally and safely and ensure compliance with the City's Parking Local Law 2010.

As part of this initiative, City Officers work closely with the school community to promote safety around schools. Information leaflets are also distributed to schools for inclusion in school newsletters to advise parents of the parking requirements under the Local Law.

School Zones

40km/hr school zones are in place around every school in the City of Canning. School zones operate from 7.30am to 9am in the morning and 2.30pm to 4pm in the afternoon.

Children warning signs and 40km hour school speed zone signs are the responsibility of Main Roads WA and requests for additional signs or sign damage reports should be directed to them on 138 138.

Pick Up and Set Down Areas

Pick Up and Set Down Areas are designed to allow large numbers of vehicles/parents to pick up or set down their children in a short length of time. Typically they are located adjacent to the main school entrance.

When using these areas, kiss your child, say goodbye, allow them out and drive away as soon as possible. When using the designated Pick Up and Set Down Areas around schools never leave your car unattended.

Contact your local school to find out if a 'Pick Up and Set Down' initiative is in place.
